**ACPE - From Monologue to Dialogue: Learning Cultural Competence Together and Across Our Differences to Improve Outcomes REPLAY - Expires 08/25/2024**

Free

This activity discusses a foundation for building cultural competence as an individual and as a team, as a leader or a staff member, and as a pharmacist or pharmacy technician. We each have a role in eliminating health disparities and, in turn, influencing health equity within our communities.

**ACPE - All it Takes is a Nudge! A Practical Approach to Empowering and Promoting an Inclusive Culture in the LGBTQ+ Community - Expires 07/21/2024**

Free

The LGBTQ+ community is one of several communities that is underserved, underrepresented, and suffers from multiple health disparities. It is important for the pharmacist, technician, and allied staff to be culturally competent and to apply what they have learned to everyday practice.
